■ Rocking Horse Puzzle

Moover Cubistic Puzzle systems introduce artistic and cubistic learning skills into kids' daily play environments. By playing with Cubistic Puzzles, children adopt new 'hands on' form and shape skills by identifying shapes and matching each unique brick to correctly complete the picture pattern.

Moover Cubistic Puzzles offer stylish and well designed puzzles with a long lasting playing time: Every brick is different so the puzzle is both interesting and challenging to ensure playtime longevity. And, when the puzzles are fully complete, happy, loveable and engaging imagery makes for a timeless artwork, perfect for accessorising every child's bedroom or play area.

Safety: Made from quality linden wood, there are safe, rounded corners on all bricks. All bricks are a safe size for babies and finished with safe paint.

Materials: Handmade jig-saw artwork in strong 10mm linden plywood; Image: heated transfer painted with safe toy paint; rounded edges for safe, enjoyable handling and playing.
